About POWER VAC AMERICA, INC.

Power Vac America specializes in the **cleaning and remediation** of HVAC systems and **air ducts**. We do not perform any mechanical repairs, mechanical maintenance work, installations or equipment change-outs as they pertain to the mechanical operation of HVAC systems under this SIN. Our services include the cleaning of air handler units and ductwork, re-insulating the interior of air handler units and ductwork, resurfacing the interior of air handler units and ductwork and refurbishing condensate pans to prevent them from leaking. Power Vac America has the capability to perform any size job on a national level to the highest degree of customer satisfaction. We are one of the largest duct cleaning companies in Texas. Power Vac America is one of the most experienced HVAC system and air duct cleaning companies in Texas providing high quality duct cleaning services for commercial, industrial, institutional and marine customers.

Located in Houston, Texas serving the commercial, industrial, institutional, and marine industries within the 48 contiguous states and Washington DC.
