Better Business Bureau Recognizes Power Vac America with the Awards for Excellence Pinnacle Award

Power Vac America received the Pinnacle Award at the Better Business Bureau Awards for Excellence luncheon held Wednesday, May 5 2010 at the InterContinental Houston. Even though Power Vac America has been an accredited member since 1991, this is the first year they applied for the Award.

The BBB Awards for Excellence recognizes businesses and non-profits for their achievements and commitment to overall excellence and quality in the workplace. Proceeds from the event help fund the BBB Education Foundation which educates consumers about scams and fraudulent business practices in the Greater Houston area.

When asked what it means to Power Vac America to receive this recognition, Doug Long, states “We work hard to provide top notch service to our customers and clients and it is an honor to be recognized for our efforts.”
